How it works:

Alice, age 40, is looking for a short term insurance savings plan that would give her an attractive guaranteed return at the end of the policy period. With **eEASY save168**, she can meet her needs and she only has to pay premiums for 2 years.

Putting aside a premium of S\$10,000 in the first year and S\$5,000 in the second year, she will enjoy a guaranteed maturity yield of 2.02% p.a. at the end of 6 years. With a lump sum maturity benefit of S\$16,800, she can pursue her goals as planned.
