Protect your family. Secure your home.

Why do you need to protect your home loan?

- Having invested so much money into buying a home, you deserve an affordable way to safeguard the home that you have worked so hard for.
- If your home loan has not been fully paid, it can become a burden for your loved ones in an unexpected event.
- Will they be able to pay off the remaining home loan when you no longer can?
- Minimise the risk of your family being forced to sell off the property at a less-than-competitive price just to pay off the outstanding amount.

Decreasing Term Insurance

- Decreasing Term Insurance is an insurance policy that takes care of your mortgage in the event that you no longer can. This frees your dependents from any debt as it is designed to pay off the remaining debt on your mortgage.
- With Decreasing Term Insurance, part or all of the unpaid portion of your home loan will be paid off in the event of your untimely death, terminal illness or total and permanent disability, so that your loved ones can continue to stay in the home you have provided.

Etiqa Insurance Pte. Ltd. is a licensed life and general insurance company registered in the Republic of Singapore and regulated by the Monetary Authority of Singapore (MAS). In 2017, Fitch affirmed the company's "A-" rating for its financial strength and stable outlook.

Etiqa has been protecting Singaporeans since 1961 with a range of general insurance solutions. As the appointed insurer for the Housing Development Board (HDB) Fire Insurance Scheme in Singapore, we have been protecting more than 500,000 homes since 2009. In August 2014, we added a comprehensive suite of life insurance solutions to our stable of products.

Etiqa is owned by Maybank Ageas Holdings Berhad, a joint venture company that combines local market knowledge with international insurance expertise. The company is 69% owned by Maybank, the fourth largest banking group in Southeast Asia with more than 22 million customers worldwide in 20 countries; and 31% by Ageas, an international insurance group with 33 million customers across 16 countries and a heritage that spans over 180 years.

At Etiqa, our passion is to humanise insurance. We place people over policies, and we are committed to helping our customers plan for a better future.
