## Provisions

### MEMO 1 - SUM INSURED

It shall be a requirement of this Policy that the sum insured is equal to the cost of replacement of the insured machinery by new machinery of the same kind and capacity, which means its cost of replacement including, eg, freight, dues and customs duties, if any, and cost of erection. If the sum insured is less than the amount required to be insured, the Insurers shall pay only in such proportion as the sum insured bears to the amount required to be insured. Every item if more than one shall be subject to this condition separately.

### MEMO 2 - BASIS OF INDEMNITY

- a) In cases where damage to an insured item can be repaired - the insurers shall pay expenses necessarily incurred to restore the damaged machine to its former state of serviceability plus the cost of dismantling and re-erection incurred for the purpose of effecting the repairs as well as ordinary freight to and from a repair shop, customs duties and dues, if any, to the extent such expenses have been included in the sum insured. If the repairs are executed at a workshop owned by the Insured, the Insurers shall pay the cost of materials and wages incurred for the purpose of the repairs plus a reasonable percentage to cover overhead charges.

No deduction shall be made for depreciation in respect of parts replaced, but the value of any salvage shall be taken into account. If the cost of repairs as detailed hereinabove equals or exceeds the actual value of the machinery insured immediately before the occurrence of the damage, the item shall be regarded as destroyed and settlement shall be made on the basis provided for in b) below.

- b) In cases where an insured item is destroyed - the Insurers shall pay the actual value of the item immediately before the occurrence of the loss, including charges for ordinary freight, cost of erection and customs duties, if any, provided such expenses have been included in the sum insured, such actual value to be calculated by deducting proper depreciation from the replacement value of the item. The Insurers shall also pay any normal charges for the dismantling of the machinery destroyed, but the salvage shall be taken into account.

Any extra charges incurred for overtime, night work, work on public holidays, and express freight shall be covered by this Policy only if especially agreed in writing.

The cost of any alterations, additions, improvements or overhauls shall not be recoverable under this Policy.

The cost of any provisional repairs shall be borne by the insurers if such repairs constitute part of the final repairs and do not increase the total cost of repair.

The Insurers shall make payments only after being satisfied by production of the necessary bills and documents that the repairs have been effected or replacement has taken place, as the case may be.

## Conditions

The umpire shall sit with the arbitrators and preside at their meetings. The making of an award shall be a condition precedent to any right of action against the Insurers.
8. The Insurers shall be entitled to withhold indemnification

  - b) In the event of the Insurers disclaiming liability in respect of any claim and if an action or suit is not commenced within three months after such disclaimer or (in the case of arbitration taking place in pursuance of Condition 7 of this policy) within three months after the arbitrators or umpire have made their award, all benefit under this Policy in respect of such claim shall be forfeited.
10. If at the time any claim arises under this Policy there is any other insurance covering the same loss or damage, the Insurers shall not be liable to pay or contribute more than their rateable proportion of any claim for such loss or damage.
11. This policy may be terminated at the request of the Insured at any time, in which case the Insurers will retain the customary short-period rate for the time this Policy has been in force. This Policy may equally be terminated at the option of the Insurers by seven day's notice to that effect being given to the Insured, in which case the Insurers will be liable to repay on demand a rateable proportion of the premium for the unexpired term from the date of cancellation less any reasonable inspection charges the Insurers may have incurred.
