1 Our Agreement

1.1 The Agreement

Your policy is regulated using the laws of Singapore. It forms the entire legal agreement between You and Us. It is made up of:

- Provisions for Enrich flex
- Cover page
- Your Policy Information Page
- Your Proposal form
- Your Policy Illustration
- Your Product Summary
- Your Financial Needs Analysis
- Our offer of conditional acceptance (if any)
- Any Endorsements We may issue to You on this policy
- Any supplementary questionnaires that You have given to Us for Our risk assessment purpose, including information in medical reports

We took the information You have provided in the Proposal form, supplementary questionnaires, medical reports and medical examination to decide whether or not to insure You. The information obtained will form the basis of the contract of insurance between You and Us.

You must disclose all material facts required under this policy. We reserve the rights to void Your policy if You have provided incomplete or inaccurate information. When this happens, We will refund all Premiums paid (less any amounts previously paid to You under this policy) without interest and less any expenses incurred in providing You the policy.

In exchange for the Premiums You pay, We agree to give You the Benefits written on Your Policy Information Page and which are explained in this Provisions.

Anyone not directly a party to this contract has no right to enforce the Contracts (Rights of Third Parties) Act 2001 of Singapore or any statutory modification or re-enactment of the said Act.

1.2 No Restriction on Residence, Travel and Occupation

There is no restriction as to the Life insured's residence, travel and occupation, unless We state differently in the Endorsements.

1.3 Policy Currency

All Premiums and Benefits of this policy are in Singapore dollars, unless We state differently on the Policy Information Page.

2 Policy Owners' Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact us or visit the Life Insurance Association (LIA) or SDIC web-sites (www.lia.org.sg or www.sdic.org.sg).

3 Our Responsibilities

This is a regular Premium Participating insurance savings plan which matures on the Policy anniversary immediately before the primary Life insured attains 100 years old. It provides wealth accumulation and financial flexibility while offering protection coverage for death, Terminal illness or Total and permanent disability (until Age 70) during the policy term. This is a guaranteed issuance policy which means that We issue this policy without asking for Your health declaration or medical checks at the time of application. The plan has a Premium payment term of 10, 15 and 20 years.

Your policy covers the Benefits described below.

3.1 Covered Events

If Your policy is valid and a covered event happens, We will pay You the Benefits less any amounts You owe Us on this policy. The covered events of Your policy are written on the Policy Information Page.

3.2 Withdrawal Option

If the policy accumulates a cash value, You can withdraw from the policy in the following ways:

- a) **Bonus Withdrawal**
You may choose to either fully or partially surrender the reversionary bonus that We have added to the policy. Please note that this will reduce the value of Your policy and the amount payable (if any) may be lesser than the actual reversionary bonus declared.
- b) **Partial Withdrawal / Full Surrender**
You may choose to either fully or partially surrender the policy. Please note that this will reduce the coverage and value of Your policy. If the policy is surrendered, the Surrender value payable (if any) may be lesser than the total Premium paid.

3.3 Surrender Benefit

Upon surrender, the surrender Benefit is paid in one lump sum. The total surrender Benefit payable is the sum of the following:

- a) the guaranteed Surrender value;
 - b) Surrender value of reversionary bonus (if any); and
 - c) performance bonus (if any)
- less any amounts owing to Us.

3.4 Maturity Benefit

At Maturity date, if the policy is still in force, the maturity Benefit payable is the sum of the following:

- a) the guaranteed maturity value;
 - b) reversionary bonus (if any); and
 - c) performance bonus (if any)
- less any amounts owing to us.

3.5 Bonus

Your policy comprises of a Participating component. A part of the Premiums You pay will go into a life Participating fund. We will share the profit or loss of this fund with You.

Profits will be shared with You by giving You bonuses in the following ways:

- i. **Reversionary Bonus**
The Reversionary Bonus is determined annually and credited to the policy on the following Policy anniversary. Once the Reversionary Bonus is declared and added/vested, it forms part of the guaranteed Benefit of the policy.
- ii. **Performance Bonus**
Performance Bonus is a one-off bonus which may be paid when the policyholder surrenders the policy, makes a claim on the policy or when the policy matures. The amount varies, depending on the number of completed years the policy has been in force with Etiqa.

Bonuses are not guaranteed until they are declared to You.

3.6 Appointment of Secondary Life Insured (Optional)

The original Policy owner may appoint a secondary Life insured during the policy term to allow for policy continuity upon death of the primary Life insured.

Upon death of the primary Life insured, the secondary Life insured will become the new Life insured and the policy continues, subject to the following conditions:

- a) This policy will cover the new Life insured up to the Maturity date written on Your Policy Information Page at the Policy commencement date;
- b) Any Premium payments for the policy continues; and
- c) All exclusions of this policy will be applicable to the new Life insured. The exclusions of this policy will begin from the date the secondary Life insured becomes the new Life insured.

The original Policy owner can appoint, change or remove the secondary Life insured up to 3 times during the policy term, subject to the following conditions:

- a) The secondary Life insured must be the original Policy owner, the original Policy owner's spouse or the original Policy owner's child (below Age 17);
- b) Secondary Life insured is not allowed if the policy has a nomination of beneficiary; and
- c) Secondary Life insured is not allowed if there are changes to the ownership of this policy including assignment and trust.

If You wish to make a nomination of beneficiary or make changes to the ownership of this policy, You must first revoke the appointment of the secondary Life insured.

The original Policy owner is the Policy owner at the Policy commencement date.

3.7 Loans

Subject to Our approval, You may take a loan on Your policy of up to 90% of its total Surrender value less any amounts owing to Us.

We will charge an interest on the policy loan and may change the interest rate at any time by giving You thirty (30) days' written notice in advance. Interest accrues on a daily basis. You may repay the policy loan and interest at any time. If the policy loan plus interest is more than the total Surrender value, this policy will end.

We will deduct the policy loan and interest from any amount We may be due to pay to You under this policy and/or its supplementary rider contracts.

3.8 Paid-up Policy

You may convert this policy to a Paid-up policy so that You do not have to pay future Premiums. The coverage will be reduced. After conversion to Paid-up policy, We will stop adding bonuses to Your policy. Policy loan is not allowed after conversion to Paid-up policy.

3.9 Update on Policy Status

An annual bonus statement will be sent to You when Your policy starts to accrue bonuses. This document aims to keep You informed of the performance of the fund and its future outlook and of the bonuses allocated to Your policy for that year.

4 Your Responsibilities

4.1 Premium

You will pay the first Premium at the time You apply for this policy. Thereafter, You will pay all future Premiums within thirty (30) days from the due date so as to continue the policy. If You fail to pay Premiums on time, We will pay the Premiums for You so that the policy can continue. We can only do so if the policy has accumulated a Surrender value which is enough to pay for the Premiums. This is a loan (automatic Premium loan) from Us and We will charge You interest. Interest accrues on a daily basis. If there is not enough Surrender value, this policy will end. We will deduct these loans and interest from any amount We may be due to pay under this policy.

4.2 Reinstatement

If Your policy ends due to not paying an outstanding amount due, You may reinstate Your policy within 12 months from the policy lapsed date by:

- paying the outstanding amount You owe with interest; and
- giving Us satisfactory proof of the Life insured's good health, at Your own expense.

Reinstatement is subject to Our approval.

5 What is Covered?

Your policy covers the Benefits described below while the policy is in force.

5.1 Death Benefit

Upon death of the Life insured while the policy is in force, We will pay the higher of:

- a) 101% of the total Premium paid on this policy and any attaching bonuses; or
- b) 101% of the total Surrender value;

less any amounts owing to Us.

The Life insured at the Policy commencement date is defined as the primary Life insured. If there is an appointed secondary Life insured, death Benefit is not payable upon death of the primary Life insured.

Death Benefit will only be payable upon death of the secondary Life insured. The death Benefit will be payable on a second-to-die basis. When We make this payment, the policy ends.

5.2 Terminal Illness Benefit

If the primary Life insured has a Terminal illness while the policy is in force, We will pay the death Benefit in one lump sum.

The maximum aggregate amount payable is Five Million Singapore Dollars (SGD 5,000,000) per Life insured for all policies and riders issued by Us with Terminal illness Benefit.

If the Terminal illness Benefit payable is lesser than the death Benefit, the death Benefit will be automatically reduced by the amount paid for the Terminal illness. The policy remains in force and the remaining death Benefit is the original death Benefit less the amount paid for Terminal illness.

If the Terminal illness Benefit payable is the same as the death Benefit, the policy ends when We make this payment.

5.3 Total and Permanent Disability (TPD) Benefit

If the primary Life insured becomes totally and permanently disabled on or before reaching the Policy anniversary when he attains Age 70 while the policy is in force, We will pay the death Benefit in one lump sum.

The maximum aggregate amount payable is Four Million Singapore Dollars (SGD 4,000,000) per Life insured for all policies and riders issued by Us with TPD Benefits.

If the TPD Benefit payable is lesser than death Benefit, the death Benefit will be automatically reduced by the amount paid for the TPD. The policy remains in force and the remaining death Benefit is the original death Benefit less the amount paid for TPD.

If the TPD Benefit payable is the same as the death Benefit, the policy ends when We make this payment.

6 What is Not Covered?

There are certain conditions under which no Benefits will be payable.

If the policy has been assigned, the Benefit amount will be paid to the Assignee. If the policy has not been assigned, the Benefit amount will be paid to either You or Your executors, administrators, Nominees or any other Proper claimant if We have proof of the relationship of the person claiming the Benefit.

Before We pay any Benefit, We will deduct any amount You owe on this policy from the Benefit. By paying out the Benefit, it will end Our legal responsibility on this policy.

8 Our Rights

8.2 Correction of Mistakes and Errors

When We find any mistake or error made in this policy, We will make the correction and inform You by way of an Endorsement.

8.3 Fraud and Misrepresentation

If You or such other claimant or anyone acting on his / their behalf fraudulently makes any claim under this policy or obtains any sum payable under this policy through fraudulent means or devices, all Benefits paid under this policy shall be forfeited and must be immediately repaid. This policy will be terminated immediately and there will be no refund of Premiums.

8.4 Change of Address, Country of Residence or Citizenship

You must, as soon as practicable within three (3) months of the changes, notify Us in writing if there is a change in Your citizenship and / or usual country of residence.
