4. Investment Objectives, Focus & Approach

This ILP Sub-Fund aims to enhance the value of its assets in the medium or long-term through investing all or substantially all its assets into the Master (USD Dis) class of AZ Islamic - MAMG Global Sukuk Fund, a sub-fund of the Luxembourg-domiciled AZ Multi Asset.

The Underlying Fund has an investment objective to achieve medium-term capital growth by actively managing a diversified portfolio of fixed and/or variable income debt securities issued by governments, supranational institutions and/or governmental bodies, and/or Shariah-compliant companies. All investments will be validated by the Shariah supervisory committee of the Underlying Fund (“Shariah Supervisory Committee”) within the Shariah guidelines applicable to the Underlying Fund (“Shariah Guidelines”).

When market conditions do not allow sufficient investments with an attractive return potential to be identified, the Underlying Fund may invest up to 25% of its net assets in Shariah-compliant cash accounts and Shariah-compliant certificates of deposit issued by first-class international banking institutions.

The Underlying Fund invests up to 100% of its net assets in debt securities and money market instruments with a sub-investment grade rating at the time of purchase, and may also invest up to 10% of its net assets in Shariah-compliant contingent convertible bonds (“CoCo bonds”).

The Underlying Fund will not invest more than 10% of its net assets in Shariah-compliant money market instruments issued by the same issuer, and does not invest in asset-backed securities (“ABS”), mortgage-backed securities (“MBS”), or default securities, or those experiencing any difficulty at the time of purchase.

The Underlying Fund may invest up to 10% of its net assets in units of undertakings for collective investment in transferable securities (“UCITS”) and/or other undertakings for collective investment (“UCIs”), provided that said UCITS and/or other UCIs are Shariah-compliant.

11. Expense Ratio & Turnover Ratio

As at 31 December 2021

Underlying Fund	Expense Ratio*	Turnover Ratio^
MAMG Global Sukuk Income-I Fund	1.37%	10.53%

* The expense ratio is calculated in accordance with the requirements in the Investment Management Association of Singapore's guidelines on the disclosure of expense ratios (the "IMAS Guidelines") and is based on the ILP Sub-Fund's latest audited accounts. The following expenses (where applicable) as set out in the IMAS Guidelines (as may be updated from time to time), are excluded from the calculation of the expense ratio:

- (a) brokerage and other transaction costs associated with the purchase and sales of investments (such as registrar charges and remittance fees);
- (b) foreign exchange gains and losses, whether realised or unrealised;
- (c) front-end loads, back-end loads and other costs arising on the purchase or sale of other funds;
- (d) tax deducted at source or arising on income received, including withholding tax;
- (e) interest expense; and
- (f) dividends and other distributions paid to the Holders.

^The turnover ratio is calculated based on the lesser of purchases or sales of underlying investments of a fund expressed as a percentage over daily average net asset value, over the same period used for calculating the expense ratio.
