Policy Owners' Protection Scheme:

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact us or visit the Life Insurance Association (LIA) or SDIC web-sites (www.lia.org.sg or www.sdic.org.sg)

Nature and Objective of the Plan:

This plan is a Non-participating, regular Premium level term policy that provides the Sum insured upon the death, Total and permanent disability or Terminal illness of the Life insured during the policy term. This plan does not have any cash values. At the end of the policy term, if We have not paid out any claims, no Benefits will be payable.

This plan is available for policy term of 5 years (renewable), 20 years or up to Age 65.

Plan Benefit:

1. Death Benefit

Upon death of the Life insured while the policy is in force, We will pay the Sum insured less any amounts owing to Us. When We make this payment, the policy ends.

While We assess the death claims, if the claimant needs financial assistance to prepare the funeral, We may consider offering an immediate payment of up to S\$3,000 per Life insured. This funeral expense financial aid, if given, will be deducted from the final death Benefit to the claimant. Our advance payment of this financial aid does not mean We have approved the death claim. If the death claim is not approved later, after Our assessment, We have the right to ask You to return this advance payment.

2. Terminal illness Benefit

If the Life insured has a Terminal illness during the policy term, We will pay the death Benefit in one lump sum. When We make this payment, the policy ends.

The maximum aggregate amount payable is Five Million Singapore Dollars (S\$5,000,000) per Life insured for all policies and riders issued by Us with Terminal illness Benefit.

Terminal illness is the conclusive diagnosis of an illness that is expected to result in the death of the Life insured within twelve (12) months. This diagnosis must be supported by a specialist and confirmed by the Company's appointed Doctor. Terminal illness in the presence of HIV infection is excluded.

3. Total and Permanent Disability (TPD) Benefit

If the Life insured becomes totally and permanently disabled on or before reaching the Policy anniversary when he attains Age 65 while the policy is in force, We will pay the death Benefit in one lump sum.

The maximum aggregate amount payable is Four Million Singapore Dollars (SGD 4,000,000) per Life insured for all policies and riders issued by Us with TPD Benefits.

If the TPD Benefit payable is lesser than death Benefit, the death Benefit will be reduced by the amount paid for the TPD. The policy remains in force and the remaining death Benefit is the original death Benefit less the amount paid for TPD.

If the TPD Benefit payable is the same as the death Benefit, the policy ends when We make this payment.

Total and permanent disability means any of the two situations:

1. The Life insured, due to Accident or sickness, is disabled to such an extent as to be rendered totally unable to engage in any occupation, business or activity for income, remuneration or profit; and The disability must continue uninterrupted for at least six (6) consecutive months from the time when disability started; and The disability must, in the view of a medical examiner appointed by the Company, be deemed permanent with no possibility of improvement in the foreseeable future.
2. The Life insured, due to Accident or sickness, suffers total and irrecoverable loss of use of:
 - (a) the entire sight in both eyes; or
 - (b) any two limbs at or above the wrist or ankle; or
 - (c) the entire sight in one eye and any one limb at or above the wrist or ankle.

4. Guaranteed Renewability

Guaranteed renewability Benefit is only applicable for policy term of 5 years (renewable).
5 years (renewable):
