JANUARY 2024 FACTSHEET

Unless otherwise stated, Performance, Portfolio Breakdowns and Net Asset information as at: 31-Jan-2024. All other data as at 08-Feb-2024.

INVESTMENT OBJECTIVE

The Sustainable Global Bond Income Fund seeks to maximise income without sacrificing long term capital growth in a manner consistent with the principles of environmental, social and governance ("ESG") focused investing. The Fund invests at least 70% of its total assets in fixed income transferable securities denominated in various currencies issued by governments, government agencies, companies and supranationals worldwide, including in emerging markets. In order to maximise income the Fund will seek diversified income sources across a variety of such fixed income transferable securities. The full spectrum of available fixed income securities may be utilised, including investment grade, non-investment grade (which may be significant exposure) and unrated. Currency exposure is flexibly managed.
