You are recommended to read the Product Summary, Policy Illustration and Policy Documents for the exact terms and conditions, specific details and exclusions applicable to this insurance product that can be obtained from any of our product distributors; and seek

advice from a financial adviser before deciding whether to purchase the policy. In the event that you choose not to seek advice from a financial adviser, you should consider whether the policy is suitable for you and meets your needs in light of your objectives, financial situation and particular needs.
