

Esteem income II

A gift to your next generation

# • Savings, retirement and guaranteed issuance

Provides for savings and retirement needs with a single premium paid. No health checks are required.

### • Reliable lifetime income

Receive lifetime monthly income, consisting of a guaranteed and non-guaranteed amount at the end of each policy month, starting from the end of the 13<sup>th</sup> policy month until the policy matures<sup>1</sup>.

| Payout Period                                     | Guaranteed<br>Monthly Income<br>(Percentage of Single<br>Premium p.a.) | Non-Guaranteed Monthly Income <sup>2</sup><br>(Percentage of Single Premium p.a.) |  |
|---|--|---|--|
|   |  | At Illustrated<br>Investment Rate of<br>Return of 3.00% p.a.                      | At Illustrated<br>Investment Rate of<br>Return of 4.25% p.a. |
| 13 <sup>th</sup> to 36 <sup>th</sup> policy month | 1.40%  | 0.85%   | 1.70%  |
| 37 <sup>th</sup> policy month onwards             | 1.40%  | 1.15%   | 2.30%  |

### Offers flexibility

Choose to receive the monthly income or reinvest it with Etiqa at a non-guaranteed interest rate.

Option to change the life insured<sup>3</sup> at any time after the 2<sup>nd</sup> policy year.

# • Guaranteed and immediate liquidity

Your policy has a surrender value of at least 80% of the single premium paid.

# Lump sum benefit upon maturity

A lump sum benefit consisting of a guaranteed and a non-guaranteed amount will be payable to you when the policy matures<sup>1</sup>.

# • Protection throughout the policy term

Lump sum payout upon death and terminal illness.

<sup>&</sup>lt;sup>1</sup> Your policy will mature on the policy anniversary immediately before the original life insured attains 125 years old.

<sup>&</sup>lt;sup>2</sup>Please refer to the policy illustration for the non-guaranteed monthly income amount at the illustrated rate of return of 3.00% p.a. and 4.25% p.a. respectively. The two rates are used purely for illustrative purposes and do not represent the upper and lower limits of the investment performance of the participating fund.

<sup>&</sup>lt;sup>3</sup>Subject to applicable terms and conditions. Please refer to policy contract for details.

# Steady stream of income for a lifetime.

## Scenario 1:

John (age 40, non-smoker) is married and going to have kids. He wants to ensure that he will have a consistent stream of income so that his wife and kids can continue to live comfortably for many years to come. He purchases Esteem income II and pays a single premium of S\$1 million. Upon the 13<sup>th</sup> policy month, he receives lifetime monthly income consisting of a guaranteed and non-guaranteed amount. John passes away at the age of 85. His children and wife will receive a payout of S\$853,000<sup>1</sup>.

### Age 41

Upon 13<sup>th</sup> policy month: Receives a monthly income of: \$\$2,583

Guaranteed amount: \$\$1,167

- John (age 40, non-smoker)
- Purchases Esteem income II
- Pays a single premium of S\$1 million

Total monthly income<sup>1</sup> received: **\$\$1,616,000** (Guaranteed amount: \$\$616,000)

Total benefit<sup>1</sup> received:

**\$\$2,469,000** (2.47 times of premium paid)

## Age 43

Upon 37<sup>th</sup> policy month: Receives a monthly income of: \$\$3,083

Guaranteed amount: \$\$1,167

## Age 85

John passes away. His family will receive a death benefit1 of \$\$853.000 (Guaranteed: **\$\$800,000**) as inheritance.

#### The scenario(s) above are for illustration purposes only.

<sup>1</sup>The above illustrated values use bonus rates assuming an illustrated investment return of 4.25% per annum. Assuming an illustrated investment rate of return at 3.00% per annum, the monthly income John receives from 13<sup>th</sup> to 36<sup>th</sup> policy month (inclusive) will be \$\$1,875 and the monthly income he receives from 37th policy month until he is age 85 (inclusive) will be \$\$2,125. The total monthly income he receives will be \$\$1,116,000 and the total death benefit his family receives will be \$\$826,500. The two rates, 4.25% per annum and 3.00% per annum, are used purely for illustrative purposes and do not represent the upper and lower limits on the investment performance of the participating fund. Bonus rates are not guaranteed and actual benefits payable may vary according to the future performance of the participating fund. Past performance or any forecasts are not necessarily indicative of the future or likely performance of the participating fund. Total monthly income comprises of both a guaranteed and non-guaranteed amount, and varies depending on the payout period. Refer to the illustration on monthly income for more details.

Esteem income II

# Legacy planning across three generations.

# Scenario 2:

Dylan (age 35, non-smoker) purchases Esteem income II with his 1-year-old son, Albert as the life insured. He pays a single premium of S\$1 million. He receives a monthly income upon reaching the 13<sup>th</sup> policy month until his son turns 21. The policy is then transferred<sup>2</sup> to Albert, along with the monthly income. With this plan, Albert can further pass on the inheritance to his child (assuming he passes away at the age of 85).

Regular monthly income  $^1$  is received by Dylan until his son turns 21. From the age of 21, Albert will receive monthly income until he passes on at 85.

> Total monthly income<sup>1</sup> received for Dylan (Age 36 to 54 (inclusive)): **\$\$691,000** for 19 years, (Guaranteed amount: \$\$266,000)

### Age 36

- Dylan, 35, non-smoker
- Purchases Esteem income II
- Pays a single premium of S\$1 million

Upon 13<sup>th</sup> policy month: Receives a monthly income<sup>1</sup> of **S\$2,583** 

Guaranteed amount: **\$\$1,167** 

### Age 38

Upon 37<sup>th</sup> policy month: Receives a monthly income of \$\$3,083

Guaranteed amount: \$\$1,167

### Age 85

Albert passes away at 85. Albert's child will receive a death benefit1 of **\$\$853,000** (Guaranteed: **\$\$800,000**) as inheritance.

# • Albert, 1 (Dylan's Son)

• Life insured of Esteem income II

#### The scenario(s) above are for illustration purposes only.

<sup>1</sup>The above illustrated values use bonus rates assuming an illustrated investment return of 4.25% per annum. Assuming an illustrated investment rate of return at 3.00% per annum, the monthly income Dylan receives from 13<sup>th</sup> to 36<sup>th</sup> policy month (inclusive) will be \$\$1,875 and the monthly income he receives from 37th policy month until he is age 54 (inclusive) will be \$\$2,125. The total monthly income he receives will be \$\$478,500, total monthly income Albert receives is \$\$1,632,000. and the total death benefit Albert's child will receive is \$\$826,500. The two rates, 4.25% per annum and 3.00% per annum, are used purely for illustrative purposes and do not represent the upper and lower limits on the investment performance of the participating fund. Bonus rates are not guaranteed and actual benefits payable may vary according to the future performance of the participating fund. Past performance or any forecasts are not necessarily indicative of the future or likely performance of the participating fund. Total monthly income comprises of both a guaranteed and non-guaranteed amount, and varies depending on the payout period. Refer to the illustration on monthly income for more details.

# Albert at age 21

Dylan (age 55) transfers<sup>2</sup> the policy to Albert when he turns age 21. He will receive a total monthly income<sup>1</sup> of **\$\$2,368,000** from age 21 to 84 (inclusive), for 64 years (Guaranteed amount: \$\$896,000)

The total monthly income<sup>1</sup> received by Dylan and Albert is \$\$2,368,000 + \$\$691,000 =\$\$3.059.000 (3.1 times of premium paid)

<sup>2</sup>Policy transfer will be subject to Etiqa's approval.

# **About Etiqa**

Etiqa Insurance Pte. Ltd. (EIPL) is a life and general insurance company licensed and regulated by the Monetary Authority of Singapore and governed by the Insurance Act 1966. Having protected customers in Singapore since 1961 under the name United General Insurance Co. Sdn. Bhd., the company transitioned into the Singapore branch of Etiqa Insurance Berhad in 2009. Today, EIPL in Singapore stands as the pivotal operating entity of Etiqa Insurance Group, a leading insurance and takaful provider in ASEAN.

EIPL offers a comprehensive range of life and general insurance products accessible through its diverse distribution channels, including bancassurance, agents, brokers, financial advisers, partnerships, direct and online sales via Tiq by Etiqa. Etiqa is rated 'A' by credit rating agency Fitch for the group's 'Favorable' business profile. EIPL is owned by Maybank Ageas Holdings Berhad, a joint venture combining local market expertise with international insurance knowledge, with 69% ownership by Maybank, the fourth largest banking group in Southeast Asia, and 31% by Ageas, an international insurance group operating across 13 countries.

#### **Important Notes:**

Age means the age at next birthday.

This policy is underwritten by Etiqa Insurance Pte. Ltd., a member of Maybank Group.

This brochure is published for general information only. It does not have any regard to the specific financial or investment objectives, financial situation and the particular needs of any specific person who may read this document and is not a contract of insurance. Full details of the policy terms and conditions can be found in the policy contract.

As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. You are recommended to read the Product Summary, Policy Illustration and policy document for the exact terms and conditions, specific details and exclusions applicable to this insurance product that can be obtained from any of our product distributors; and seek advice from a financial adviser before deciding whether to purchase the policy. In the event that you choose not to seek advice from a financial adviser, you should consider whether the policy is suitable for you and meets your needs in light of your objectives, financial situation and particular needs.

In case of discrepancy between the English and Chinese versions of this brochure, the English version shall prevail.

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact us or visit the Life Insurance Association (LIA) or SDIC websites (www.lia.org.sg or www.sdic.org.sg).
