## 1 Our Agreement

---

### 1.1 The Agreement

Your policy is regulated using the laws of Singapore. It forms the entire legal agreement between You and Us. It is made up of:

- Policy Contract for Enrich flex plus
- Cover page
- Your Policy Information Page
- Your Proposal form
- Your Policy Illustration
- Your Product Summary
- Your Financial Needs Analysis
- Our offer of conditional acceptance (if any)
- Any Endorsements We may issue to You on this policy
- Any supplementary questionnaires that You have given to Us for Our risk assessment purpose, including information in medical reports

We took the information You have provided in the Proposal form, supplementary questionnaires, medical reports and medical examination to decide whether or not to insure You. The information obtained will form the basis of the contract of insurance between You and Us.

You must disclose all material facts required under this policy. We reserve the rights to void Your policy if You have provided incomplete or inaccurate information. When this happens, We will refund all Premiums paid (less any amounts previously paid to You under this policy) without interest and less any expenses incurred in providing You the policy.

In exchange for the Premiums You pay, We agree to give You the Benefits written on Your Policy Information Page and which are explained in this Policy Contract.

Anyone not directly a party to this contract has no right to enforce the Contracts (Rights of Third Parties) Act 2001 of Singapore or any statutory modification or re-enactment of the said Act.

### 1.2 No Restriction on Residence, Travel and Occupation

There is no restriction as to the Life insured's residence, travel and occupation, unless We state differently in the Endorsements.

### 1.3 Policy Currency

All Premiums and Benefits of this policy are in Singapore dollars, unless We state differently on the Policy Information Page.

---

## 2 Policy Owners' Protection Scheme

---

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact us or visit the Life Insurance Association (LIA) or SDIC web-sites ([www.lia.org.sg](http://www.lia.org.sg) or [www.sdic.org.sg](http://www.sdic.org.sg)).

### 3 Our Responsibilities

This is an endowment plan which matures on the Policy anniversary immediately before the primary Life insured attains 125 years old. This plan allows you to take part in the performance of the participating fund, in the form of bonuses that are not guaranteed. It provides wealth accumulation and financial flexibility while offering protection coverage for death, Terminal illness and Accidental death (until Age 80) during the policy term. This is a guaranteed issuance policy which means that We issue this policy without asking for Your health declaration or medical checks at the time of application.

This is a Participating life insurance policy. It allows You to participate in the performance of the Participating fund in the form of bonuses that are not guaranteed.

You can choose Your Premium payment term to be three (3), five (5), ten (10), fifteen (15) or twenty (20) years at policy inception, but it cannot be changed after that.

Your policy covers the Benefits described below.

#### 3.1 Covered Events

If Your policy is valid and a covered event happens, We will pay You the Benefits less any amounts You owe Us on this policy. The covered events of Your policy are written on the Policy Information Page.

#### 3.2 Surrender Benefit

Upon surrender, the surrender Benefit is paid in one lump sum. The total surrender Benefit payable is the sum of the following:

- a) the guaranteed Surrender value;
- b) Surrender value of accumulated reversionary bonus (if any); and
- c) performance bonus (if any)

less any amounts owing to Us.

#### 3.3 Maturity Benefit

At Maturity date, if the policy is still in force, the maturity Benefit payable is the sum of the following:

- a) the guaranteed maturity value;
- b) accumulated reversionary bonus (if any); and
- c) performance bonus (if any)

less any amounts owing to us.

#### 3.4 Bonus

Your policy comprises of a Participating component. A part of the Premiums You pay will go into a life Participating fund. We will share the profit or loss of this fund with You.

Profits will be shared with You by giving You bonuses in the following ways:

- i. **Reversionary Bonus**  
The Reversionary Bonus is determined annually and credited to the policy on the following Policy anniversary. Once the Reversionary Bonus is declared and added/vested, it forms part of the guaranteed Benefit of the policy.

ii. **Performance Bonus**

Performance Bonus is a one-off bonus which may be paid when the policyholder surrenders the policy, makes a claim on the policy or when the policy matures. The amount varies, depending on the number of completed years the policy has been in force with Etiqa.

All bonuses are not guaranteed unless it has been declared by Us and the actual amount may vary depending on the performance of the Participating fund that the plan is invested.

### 3.5 **Appointment of Secondary Life Insured (Optional)**

The Policy owner may appoint a secondary Life insured during the policy term to allow for policy continuity upon death of the primary Life insured.

Upon death of the primary Life insured, the secondary Life insured will become the new Life insured and the policy continues, subject to the following conditions:

- a) This policy will cover the new Life insured up to the Maturity date written on Your Policy Information Page at the Policy commencement date;
- b) Any Premium payments for the policy continues; and
- c) All exclusions of this policy will be applicable to the new Life insured. The exclusions of this policy will begin from the date the secondary Life insured becomes the new Life insured.

Policy ownership will not be automatically transferred to the appointed Secondary Life Insured.

The Policy owner can appoint or change the secondary Life insured up to 3 times during the policy term, subject to the following conditions:

- a) The secondary Life insured must be the Policy owner, the Policy owner's spouse or the Policy owner's Child (below Age 17);
- b) Secondary Life insured is not allowed if the policy has a nomination of beneficiary; and
- c) Secondary Life insured is not allowed if a trust is created under the policy.

If You wish to make a nomination of beneficiary or make changes to the ownership of this policy, any existing secondary life insured will be revoked and the new policy owner would then be allowed to appoint a new secondary life insured subject to establishing insurable interest in the secondary life insured.

### 3.6 **Premium Deferment Option**

After the end of the 4<sup>th</sup> policy year, if the policy is in force and there is sufficient surrender value, You have the option to request a premium deferment of one (1) year. This option can be exercised once for policies with a premium payment term of five (5) years and up to two (2) times for policies with premium payment terms of ten (10), fifteen (15) and twenty (20) years. This option is not available for premium payment term of three (3) years.

Upon activation of the premium deferment option, You do not have to pay the premium for one (1) year and the interest for premium owed during the premium deferment period will be waived. At the end of the premium deferment period, You can opt to pay back the premium owed, without interest, within one (1) month from the end of the premium deferment period. If the premium owed has not yet been paid one (1) month after the premium deferment period, automatic premium loan charges will start to accumulate on Your owed amount.

Should You choose to pay back the premium owed during the premium deferment period, We will end the premium deferment and will consider the premium deferment option to be exercised.

If You have taken a policy loan prior to the activation of the premium deferment option, the outstanding policy loan will continue to incur policy loan charges during the premium deferment period.

No partial withdrawal / bonus withdrawal is allowed when premium deferment is exercised.

### 3.7 Withdrawal Option

If the policy accumulates a cash value, You can withdraw from the policy in the following ways:

- a) **Bonus Withdrawal**  
You may choose to either fully or partially surrender the reversionary bonus that We have credited to the policy. Minimum bonus withdrawal amount is \$1,000. Please note that this will reduce the value of Your policy and the amount payable (if any) may be lesser than the actual reversionary bonus declared. Withdrawing Your accumulated reversionary bonus will also result in You receiving less bonuses on Your policy in the future. Part of the performance bonus on surrender will also be withdrawn when You choose to withdraw from Your reversionary bonus.
- b) **Partial Withdrawal / Full Surrender**  
You may choose to either fully or partially surrender the policy. The minimum withdrawal amount is \$1,000 (in multiples of \$100) subject to the minimum coverage of \$10,000 remaining for Your policy to maintain after the withdrawal.  
  
If You choose to partially withdraw from Your basic policy surrender value, the coverage and value of Your policy will be reduced. As a result, this will reduce the amount of future bonuses declared for Your policy. If the policy is surrendered, the surrender value payable (if any) may be lesser than the total Premium paid.
- c) **Regular Withdrawal**  
You may choose to perform regular withdrawal from your policy based on the regular withdrawal table indicated below. The minimum regular withdrawal amount is \$100 per month (in multiples of \$100). The impact to Your basic policy surrender value is described as above. You have the flexibility to adjust Your regular withdrawal amount, to choose when to start or stop your regular withdrawal. For any alteration to the regular withdrawal, you will need to write to us, by giving us one (1) month notice. Your request will take effect from the next regular withdrawal date.

We only allow regular withdrawals after 5 policy years for Premium payment term of three (3) and five (5) years, and after Premium payment term has ended for the rest.

Premium payment term	Regular withdrawal allowed to start from
3 years premium term	61 <sup>st</sup> policy month onwards
5 years premium term	61 <sup>st</sup> policy month onwards
10 years premium term	121 <sup>st</sup> policy month onwards
15 years premium term	181 <sup>st</sup> policy month onwards
20 years premium term	241 <sup>st</sup> policy month onwards

The regular withdrawal will stop once the coverage has reached the minimum of \$10,000.

Any amount withdrawn cannot be redeposited back to the policy. This applies to bonus withdrawal and ad-hoc / regular withdrawals from basic surrender value.

### 3.8 Loans

Subject to Our approval, You may take a loan on Your policy of up to 90% of its total Surrender value less any amounts owing to Us.

We will charge an interest on the policy loan and may change the interest rate at any time by giving You thirty (30) days' written notice in advance. Interest accrues on a daily basis. You may repay the policy loan and interest at any time. If the policy loan plus interest is more than the total Surrender value, this policy will end.

We will deduct the policy loan and interest from any amount We may be due to pay to You under this policy and/or its supplementary rider contracts.

### **3.9 Paid-up Policy**

You may convert this policy to a Paid-up policy after the end of the third policy year so that You do not have to pay future Premiums. The coverage will be reduced. After conversion to Paid-up policy, We will stop adding bonuses to Your policy. Policy loan is not allowed after conversion to Paid-up policy.

### **3.10 Update on Policy Status**

An annual bonus statement will be sent to You when Your policy starts to accrue bonuses. This document aims to keep You informed of the performance of the fund and its future outlook and of the bonuses allocated to Your policy for that year.

---

## **4 Your Responsibilities**

---

### **4.1 Premium**

You will pay the first Premium at the time You apply for this policy. Thereafter, You will pay all future Premiums within thirty (30) days from the due date so as to continue the policy. If You fail to pay Premiums on time, We will pay the Premiums for You so that the policy can continue. We can only do so if the policy has accumulated a Surrender value which is enough to pay for the Premiums. This is a loan (automatic Premium loan) from Us and We will charge You interest. Interest accrues on a daily basis. If there is not enough Surrender value, this policy will end. We will deduct these loans and interest from any amount We may be due to pay under this policy.

### **4.2 Reinstatement**

If Your policy ends due to not paying an outstanding amount due, You may reinstate Your policy within 12 months from the policy lapsed date by:

- paying the outstanding amount You owe with interest; and
- giving Us satisfactory proof of the Life insured's good health, at Your own expense.

Reinstatement is subject to Our approval.

---

## **5 What is Covered?**

---

Your policy covers the Benefits described below while the policy is in force.

### **5.1 Death Benefit**

Upon death of the Life insured while the policy is in force, We will pay the higher of:

- a) 101% of the total Premium paid on the basic plan up to the date of death less withdrawals; or
- b) 101% of the guaranteed surrender value;

plus bonus (if any) less any amounts owing to Us.

The Life insured at the Policy commencement date is defined as the primary Life insured.

If there is an appointed secondary Life insured, death Benefit is payable upon death of the last surviving Life insured. When We make this payment, the policy ends.

## 5.2 Terminal Illness Benefit

If the primary Life insured has a Terminal illness while the policy is in force and there is no appointed secondary Life insured, We will pay the death Benefit in one lump sum.

If there is an appointed secondary Life insured, We will pay the death Benefit in one lump sum if the last surviving Life insured has a Terminal illness.

The maximum aggregate amount payable is Five Million Singapore Dollars (SGD 5,000,000) per Life insured for all policies and riders issued by Us with Terminal illness Benefit.

If the Terminal illness Benefit payable is lesser than the death Benefit, the death Benefit will be automatically reduced by the amount paid for the Terminal illness. The policy remains in force and the remaining death Benefit is the original death Benefit less the amount paid for Terminal illness.

If the Terminal illness Benefit payable is the same as the death Benefit, the policy ends when We make this payment.

## 5.3 Accidental Death Benefit

Upon Accidental death of the Life insured on or before reaching the Policy anniversary when he attains Age 80 while the policy is in force, We will pay an additional 100% of the guaranteed death Benefit in one lump sum.

The maximum aggregate amount payable for Accidental death shall not exceed Two Million Singapore Dollars (SGD 2,000,000) per Life insured for all policies and riders issued by Us with Accidental death Benefits.

The Life insured at the Policy commencement date is defined as the primary Life insured.

If there is an appointed secondary Life insured, Accidental death Benefit is payable upon Accidental death of the last surviving Life insured. When We make this payment, the policy ends.

---
