When this happens, We will refund all Premiums paid (less any amounts previously paid to You under this policy) without interest and less any expenses incurred in providing You the policy.

In exchange for the Premiums You pay, We agree to give You the Benefits written on Your Policy Information Page and which are explained in this Policy Contract.

You have the option of receiving the survival Benefit in a lump sum by selecting policy term of 15 years, in yearly payments of ten (10) years by selecting policy term of 24 years or in yearly payments of fifteen (15) years by selecting policy term of 29 years. Premium term is 15 years but You only have to pay Premiums for the first seven (7) years as this plan has an Automatic Premium Benefit that will pay the Premiums from the 8th to 15th Policy year. The Automatic Premium Benefit will only take effect when We have received the full first seven (7) years Premiums.

A compulsory supplementary Benefit, Extra cancer care waiver rider is attached to this plan at policy application to provide protection against Major Cancer for Life insured with entry Age from 17 to 60. Please refer to the Policy Contract of Extra cancer care waiver rider for details.

This is a Participating life insurance policy. It allows You to participate in the performance of the Participating fund in the form of bonuses that are not guaranteed.

This is a guaranteed issuance policy which means that We issue this policy without asking for Your health declaration or medical checks at the time of application.

Your policy covers the Benefits described below.

3.1 Covered Events

If Your policy is valid and a covered event happens, We will pay You the Benefits less any amount You owe Us on this policy and its supplementary rider contract (where applicable). The covered events of Your policy are written on the Policy Information Page.

3.2 Surrender Benefit

Upon surrender, the surrender Benefit is paid in one lump sum. The total surrender Benefit payable is the sum of the following:

- a) guaranteed Surrender value; and
 - b) non-guaranteed Surrender value (if any);
- less any outstanding amount that You still owe Us.

3.3 Survival Benefit

If the Life insured survives and the policy is still in force at the Payout date, You will receive the survival Benefit in the way You have chosen to receive it.

Survival Benefit is the sum of:

- a) total Premiums You paid on the Basic policy and any compulsory supplementary Benefit (excluding interest and Automatic Premium Benefit);
 - b) reversionary bonus (if any); and
 - c) performance bonus (if any);
- less any outstanding amount that You still owe Us.

Survival Benefit Receiving Option

You have the option of receiving the survival Benefit either in a lump sum or in yearly payments of 10 or 15 years (via direct credit to Your designated bank account).

While You can choose one of these options at the application stage, if You did not state Your choice of option, the default option is to receive the survival Benefit in a lump sum at the end of the 15th Policy year. You may write in to Etiqa to change the survival Benefit receiving option at any time before the end of the 14th Policy year.

- a) If You opt to receive the survival Benefit in one lump sum at the end of the 15th Policy year, the policy will end when We make this payment. This payment is the maturity Benefit.
- b) If You opt to receive the survival Benefit in 10 yearly payments, You will receive the amount including non-guaranteed interest* earned on the survival Benefit balance starting from the Payout date and every anniversary thereafter up to the 24th Policy year, so long as Your policy is valid. Yearly payment on the 24th Policy year will be paid as the maturity Benefit.
- c) If You opt to receive the survival Benefit in 15 yearly payments, You will receive the amount including non-guaranteed interest* earned on the survival Benefit balance starting from the Payout date and every anniversary thereafter up to the 29th Policy year, so long as Your policy is valid. Yearly payment on the 29th Policy year will be paid as the maturity Benefit.

Yearly payments cannot be deposited with Etiqa and We may change the interest rate at any time by giving You 30 days' notice.

*Interest earned each year will be spread over the remaining years.

3.4 Maturity Benefit

On the Maturity date, if the Life insured survives and the policy is still in force, We will pay You:

- a) The full survival Benefit if You have chosen to receive it in one lump sum or
- b) The last yearly payment if You have chosen to receive in yearly payments of 10 or 15 years.

3.5 Bonus

Your policy comprises of a Participating component. A part of the Premiums You pay will go into a life Participating fund. We will share the profit or loss of this fund with You. Profits will be shared with You by giving You bonuses in two ways:

- i. Reversionary bonus
Reversionary bonus may be added to the policy every year. Once added, it will be guaranteed.
- ii. Performance bonus
This is a percentage of the accumulated reversionary bonuses. It may be paid when You surrender the policy, make a death claim on the policy or when the policy provides the survival Benefit.

Bonuses are not guaranteed until they are declared to You.

3.6 Loans

You may take a loan on Your policy of up to 90% of its total Surrender value. We will charge an interest on the policy loan and may change the interest rate at any time by giving You thirty (30) days' written notice in

advance. Interest accrues on a daily basis. You may repay the policy loan and interest at any time. If the policy loan plus interest is more than the total Surrender value, this policy will end.

We will deduct the policy loan and interest from any amount We may be due to pay to You under this policy and/or its supplementary rider contracts.

3.7 Paid-up Policy

You may convert this policy to a Paid-up policy so that You do not have to pay future Premiums. The coverage will be reduced. After conversion to Paid-up policy, We will stop adding bonuses to Your policy. Policy loan is not allowed after conversion to Paid-up policy.

3.8 Update on Policy Status

An annual bonus statement will be sent to You when Your policy starts to accrue bonuses in its 3rd Policy year. This document aims to keep You informed of the performance of the fund and its future outlook and of the bonuses allocated to Your policy for that year.

4 Your Responsibilities

4.1 Premium

You will pay the first Premium at the time You apply for this policy. Thereafter, You will pay all future Premiums within thirty (30) days from the due date so as to continue the policy. If You fail to pay Premiums on time, We will pay the Premiums for You so that the policy can continue. We can only do so if the policy has accumulated a Surrender value which is enough to pay for the Premiums. This is a loan (automatic premium loan) from Us and We will charge You interest. Interest accrues on a daily basis. If there is not enough Surrender value, this policy will end. We will deduct these loans and interest from any amount We may be due to pay under this policy.

4.2 Reinstatement

If Your policy ends due to not paying an outstanding amount due, You may apply to bring back Your policy (reinstatement) within 12 months by:

- paying the outstanding amount You owe with interest and
- giving Us satisfactory proof of the Life insured's good health, at Your own expense.

Reinstatement will depend on Our approval.

5 What is Covered?

Your policy covers the Benefits described below while the policy is in force.

5.1 Death Benefit

In the event of death of the Life insured:

- a) Before the Payout date while the policy is still in force
We will pay the sum of 101% of the total Premiums You paid on the Basic policy (excluding Premiums paid for any compulsory supplementary Benefit, interest and Automatic Premium Benefit) and any attaching bonus, less any outstanding amount that You still owe Us.

- b) On and after the Payout date while the policy is still in force
We will pay 101% of the sum of the survival Benefit less all yearly payments disbursed and any non-guaranteed interest.

Payout date refers to the end of the 15th Policy year and it is the date which You start to receive Your survival Benefit (where applicable).

When We make this payment, the policy ends.

While We assess the death claims, if the claimant needs financial assistance to prepare the funeral, We may consider offering an immediate payment of up to S\$3,000 per Life insured. This funeral expense financial aid, if given, will be deducted from the final death Benefit to the claimant. Our advance payment of this financial aid does not mean We have approved the death claim. If the death claim is not approved later, after Our assessment, We have the right to ask You to return this advance payment.

6 What is Not Covered?

We will not pay the covered Benefits in certain instances.

6.1 Death Benefit

We do not pay the death Benefit if the death is directly or indirectly, wholly or partly caused by:

- b) Pre-existing conditions within the first 12 months from the Policy issue date or the latest Reinstatement date, whichever is later.

When there is condition(s) specific to the Life insured which We will not cover, We will state them on Our offer of conditional acceptance, the Policy Information Page and Endorsement. When any of the exclusion happens, We will return the higher of either the total Premiums paid (less any amounts previously paid to You under this policy) without interest or the Surrender value (if any), less any amounts owing to Us.
