3 Our Responsibilities

This is a whole life regular Premium investment-linked insurance plan that is designed to meet Your wealth accumulation needs and provides You protection coverage against death during the policy term up to Age 100 and total and permanent disability before reaching Age 65.

This plan allows a choice of premium payment term of ten (10) years, fifteen (15) years or twenty (20) years. Throughout the policy term, different types of bonus units (start-up bonus, special bonus and loyalty bonus) will be credited to Your policy. It also provides You flexibilities such as temporarily stopping premium payment during the Premium-Free Period when the need arises. In addition, it gives You access to Our list of ILP sub-funds from reputable fund managers for investment. You may also choose to enhance your insurance coverage with our range of optional protection riders.

This is a guaranteed issuance policy which means that We issue this policy without asking for Your health declaration or medical checks at the time of application.

Your policy covers the Benefits described below.

3.1 Start-up Bonus

While the policy is in force, a Start-up Bonus will be credited to Your policy for the first policy year upon receipt of the regular Premium You paid. The applicable Start-up Bonus rate per annum is determined based on Your Premium amount and premium payment term.

The Start-up Bonus is calculated as below:

Start-up Bonus payout = Start-up Bonus rate X regular Premium received.

Please refer to the table below for the Start-up Bonus rate.

Premium payment term	Annualised regular Premium (S\$)	
	Tier 1	Tier 2
10 years	4,800 to 9,599	9,600 and above
15 years	3,600 to 7,199	7,200 and above
20 years	2,400 to 4,799	4,800 and above

Premium payment term	Bonus rate (per annum)	
	Tier 1	Tier 2
10 years	15%	30%
15 years	25%	50%
20 years	40%	80%

The Start-up Bonus will be credited to Your policy in the form of additional units to Your Account value in accordance to the investment allocation chosen by You. The additional units will be purchased based on the unit price on the next Valuation day. Start-up Bonus is only applicable to regular Premium paid and it is not applicable to any Top-up(s).

We reserve the right to revise the Start-up Bonus rate at any time by giving You thirty (30) days' written notice.

3.2 Special Bonus

While the policy is in force, a Special Bonus will be credited to Your policy upon receipt of each regular Premium You paid over a Special Bonus period determined based on Your Premium payment term. The Special Bonus is calculated as below:

Special Bonus = 5% X regular Premium received.

Please refer to the table below for the specified Special Bonus period.

Premium payment term	Special Bonus period
10 years	From the sixth (6 th) policy year to the tenth (10 th) policy year
15 years	From the tenth (10 th) policy year to the fifteen (15 th) policy year
20 years	From the eleventh (11 th) policy year to the twentieth (20 th) policy year

The Special Bonus will be credited to Your policy in the form of additional units to Your Account value in accordance to the investment allocation chosen by You. The additional units will be purchased based on the unit price on the next Valuation day. Special Bonus is only applicable to regular Premium paid and it is not applicable to Top-up(s).

We reserve the right to revise the Special Bonus rate at any time by giving You thirty (30) days' written notice.

3.3 Loyalty Bonus

While the policy is in force, a Loyalty Bonus will be credited to Your policy on each policy anniversary starting from the policy anniversary immediately after the end of the premium payment term and provided You have not made any partial withdrawal in the preceding 12 months.

Loyalty Bonus for Top-up will be pro-rated according to the number of days from the Top-up effective date to the Loyalty Bonus payout date.

The Loyalty Bonus is calculated as below:

Loyalty Bonus = Account value (exclude Top-up made within the previous policy year) X 0.2% per annum + Top-up (made within the previous policy year) X Pro-rated Loyalty Bonus rate.

"Pro-rated Loyalty Bonus rate" refers to the duration in number of days from the last effective date of top-up made in previous policy year divided by 365 days multiplied by 0.2% per annum.

The Loyalty Bonus will be credited to Your policy in the form of additional units to Your Account value in accordance to the investment allocation chosen by You. The additional units will be purchased based on the unit price on the next Valuation day. Loyalty bonus is applicable to regular Premium paid, Ad-hoc Top-up(s) and recurring Top-up(s).

We reserve the right to revise the Loyalty Bonus rate at any time by giving You thirty (30) days' written notice.

We reserve the right to revise the charge for fund switching by giving You thirty (30) days' written notice.

The fund switching is based on the unit price of the applicable ILP sub-fund(s) at the date when the switching is carried out by the ILP sub-fund manager.
