Essential critical secure
Complete care for critical
illness at an affordable cost

eTiqa

Do you know the average Singaporean has a critical illness (CI) protection gap of 74%¹? With high medical inflation², the cost of medical treatments³ will become increasingly expensive over time. While hospitalisation plans may be able to cover part of the cost of medical bills, the cost of not being able to work remains.

The good news is, **Essential critical secure** offers affordable and comprehensive protection up to age 100 so that you can focus on recovery without worrying about expensive treatment costs or your daily living expenses.

Why Essential critical secure?

- Comprehensive coverage for a total of 104 CI conditions across early, intermediate and severe stages.
- First in the market to provide a monthly cash payout of up to 200%⁴ of the original sum insured⁵ upon a severe stage CI that provides you with continuous financial support.
- Secure peace of mind with our premium waiver benefit upon an early or intermediate stage CI claim.
- Support and empower your mental well-being with benefits for 7 mental health conditions.
- Affordable premiums at just S\$0.86 per day⁶, you can get S\$100,000 of CI Benefit + up to S\$200,000⁴ of Continuous Care Benefit.

⁴ Subject to a maximum of 2 claims. The total amount payable for the Continuous Care Benefit does not exceed 200% of the original sum insured per policy.

⁵ Original sum insured means the sum insured of the Essential critical secure policy before the reduction in sum insured due to prior claim(s) for CI Benefit and Severe Mental Health Benefit.

⁶ Premium is illustrated based on a female aged 1 year, non-smoker and a sum insured of S\$100,000 for a premium and policy term of up to age 70 on a yearly premium frequency.

⁷ CI Benefit consists of the Early and Intermediate Stage CI Benefit and the Severe Stage CI Benefit. The total amount payable for CI Benefit does not exceed 100% of the sum insured. Maximum aggregate amount of S\$2,000,000 per life insured for early, intermediate and severe stages of CI (including premiums to be waived under this policy), subject to a cap of S\$350,000 per life insured for early or intermediate stages of CI, for all policies and riders issued by us and other insurance companies on the same life insured.

⁸ Except for Angioplasty and Other Invasive Treatment for Coronary Artery. Less any claim(s) paid for Angioplasty and Other Invasive Treatment for Coronary Artery, Early and Intermediate Stage CI Benefit and Severe Mental Health Benefit.

⁹ Subject to a maximum of S\$25,000 per life insured.
