Policy Owners' Protection Scheme:

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for Your policy is automatic and no further action is required from You. For more information on the types of Benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact Us or visit the Life Insurance Association (LIA) or SDIC web-sites (www.lia.org.sg or www.sdic.org.sg).

Nature and Objective of the Plan:

This is a Non-participating, regular Premium term plan designed to provide protection against critical illnesses (early, intermediate or severe stage), mental health conditions as well as death. It also waives the Premium of the policy upon diagnosis and claim of an early or intermediate stage critical illness and pays a monthly cash payout upon diagnosis of a covered severe stage critical illness during the policy term.

This plan is available for a policy term of to age 70, 75, 80, 85, 90, 95 and 100.

PLAN BENEFIT:

1. Death Benefit

Upon death of the Life insured while the policy is in force, We will pay S\$5,000 less any amounts owing to Us. When We make this payment, the policy ends.

While We assess the death claims, if the Proper claimant needs financial assistance to prepare the funeral, We may consider offering an immediate advance payment of up to S\$3,000 per Life insured. This funeral expense financial aid, if given, will be deducted from the final Death Benefit to the Proper claimant. Our advance payment of this financial aid does not mean We have approved the Death Benefit claim. If the Death Benefit claim is not approved later, after Our assessment, We have the right to ask You to return this advance payment.

2. Critical Illness ("CI") Benefit

CI Benefit consists of:

- a) Early and Intermediate Stage CI Benefit; and
- b) Severe Stage CI Benefit.

The total amount payable for CI Benefit does not exceed 100% of the Sum insured.

CI Benefit will end when We have paid 100% of the Sum insured or the Death Benefit or upon expiry of this policy, whichever is earliest.

Please refer to Appendix A for the list of CIs covered and the Policy Contract for their definitions.

a) Early and Intermediate Stage CI Benefit

If the Life insured is diagnosed with any of the covered early or intermediate stage CIs while the policy is in force, 50% of the Sum insured will be accelerated and paid in one (1) lump sum, less any amount owing to Us.

We will pay the Early and Intermediate Stage CI Benefit subject to the following:

- i) the CI Benefit has not ended;
- ii) any payment made from this Early and Intermediate Stage CI Benefit will reduce the Sum insured by the same amount paid;
- iii) only one (1) claim is allowed for this Early and Intermediate Stage CI Benefit;
- iv) if more than one (1) CI covered under this Early and Intermediate Stage CI Benefit are diagnosed on the same date, We will only process the claim with the highest Benefit payout for this Early and Intermediate Stage CI Benefit;
- v) the Maximum Claim Limit (refer to Section 2 (c) for further information);
- vi) the Waiting Period (refer to Section 8 for further information); and
- vii) the Survival Period (refer to Section 8 for further information).

When We make this payment, the Early and Intermediate Stage CI Benefit will end and the policy will continue with the remaining Sum insured for the other eligible Benefits.

b) Severe Stage CI Benefit

If the Life insured is diagnosed with any of the covered severe stage CIs (except for Angioplasty & Other Invasive Treatment for Coronary Artery) while the policy is in force, 100% of the Sum insured will be paid in one (1) lump sum, less any claim(s) paid for Angioplasty & Other Invasive Treatment for Coronary Artery, Early and Intermediate Stage CI Benefit and Severe Mental Health Benefit, less any amount owing to Us.

If the Life insured is diagnosed with Angioplasty & Other Invasive Treatment for Coronary Artery, 10% of the Sum insured will be accelerated and paid in one (1) lump sum, subject to a maximum amount of S\$25,000 per policy. When We make this payment under this Severe Stage CI Benefit in full, the CI Benefit will end and the policy will:

- i) end if the Continuous Care Benefit is not payable; or
- ii) continue if the Continuous Care Benefit is payable.

c) Maximum Claim Limit

We will only provide a maximum aggregate amount of S\$2,000,000 per Life insured for early, intermediate and severe stages of CI (including premiums to be waived under this policy), subject to a cap of S\$350,000 per Life insured for early or intermediate stages of CI, for all policies and riders issued by Us and other insurance companies on the same Life insured.
