## 1. Our Agreement

### 1.1 The Agreement

Your policy is regulated using the laws of Singapore. It forms the entire legal agreement between you and us. It is made up of:

- These General Provisions for life insurance
- Supplementary terms on your coverage
- Your policy information page
- Your proposal form
- Any supplementary questionnaires that you have given to us for our risk assessment purpose, including information in medical reports
- Your financial needs analysis
- Our offer of conditional acceptance (if any)
- Any supplementary rider contract and
- Any endorsements we may issue to you on this policy

We took the information you have given us on the proposal form, supplementary questionnaires, medical reports and medical examination to decide whether or not to insure you. The information obtained will form the basis of the contract of insurance between you and us. Your policy may be void if you have given us incomplete or inaccurate information.

In exchange for the premiums you pay, we agree to give you the benefits written on your policy information page and which are explained in these General Provisions for life insurance and the supplementary terms we send you.

Anyone not directly a party to this contract has no right to enforce the Contract (Rights of Third Parties) Act.

### 1.2 No Restriction on Residence, Travel and Occupation

There is no restriction as to the life insured's residence, travel and occupation, unless we state differently in the endorsements.

### 1.3 Policy Currency

All premiums and benefits of this policy and its supplementary rider(s) are in Singapore dollars, unless we state differently on the policy information page.

## 2. Policy Owners' Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy under the Scheme is automatic and no further action is required from you. For more information on the types of benefits that are covered under the Scheme as well as the limits of coverage, where applicable, please contact us or visit the LIA or SDIC web-sites ([www.lia.org.sg](http://www.lia.org.sg) or [www.sdic.org.sg](http://www.sdic.org.sg)).

## 3. Our Responsibilities

**Your policy may cover all or some of the benefits described below.** You can find the benefit(s) covered under this policy on the policy information page and/or the supplementary terms.

### 3.1 Covered Events

Depending on the benefits, terms and conditions of your policy, if your policy is valid and a covered event happens, we will pay you the sum insured/ benefits less any loan and interest you owe us on this policy or its supplementary rider contract. The covered events of your policy are written on the policy information page and/or the supplementary terms.

### 3.2 Guaranteed Insurability Benefit

If your policy has a guaranteed insurability benefit, you can choose to increase the life insured's protection without giving us proof of good health whenever the life insured experiences a key life event. You can buy a new term or an endowment policy on the life insured for a maximum of 2 key life events per life. This is the case no matter how many policies we insure him. You can only do so if:

- the life insured is under age 50;
- your policy is issued on standard terms with neither specific conditions which we will not cover nor extra premiums which we charge you due to medical reasons and
- you have paid all the premiums due under this policy

The most you can buy for each new policy is the lower of either 25% of the original sum insured or \$150,000. You have to buy the new policy within 3 months when the key life event happens. You must pay the increased premium on the new policy based on the age of the life insured at the time of purchase.

### 3.3 Cash Benefits

If your policy has a cash benefit, you can choose to

- i. deposit the amount with us and earn interest at a rate we will set or
- ii. receive the amount as a payout

We may change the interest rate at any time by giving you 30 days' notice.

At the time you apply for the policy, we will ask for your choice. If you did not state your choice, we will assume that your choice is to deposit the amount with us. You may withdraw the deposits with us at any time with no charges but the minimum withdrawal amount each time is the lesser of either \$1000 or the entire deposit amount.

If there is a claim, the claim benefit payment will include any cash benefits and earned interest that is deposited with us.

### 3.4 Cash Values & Paid-up Policy

If your policy accumulates a cash value, you may

- i. end your policy and cash out the amount. The cash value will be much lower than the premiums paid if you end your policy in the first few years;  
or
- ii. convert this policy to a paid-up policy so that you do not have to pay future premiums. The coverage will be reduced.

Once it is a paid-up policy, we will stop paying cash benefits or adding bonuses to your policy. You also cannot apply for a policy loan.

### 3.5 Loans

You may take a loan on your policy for up to 90% of its cash value. We will charge you interest on the policy loan and may change the interest rate at any time by giving you 30 days' notice. Interest accrues on a daily basis. You may repay the policy loan and interest at any time. If the policy loan plus interest is more than the cash value, this policy will end.

We will deduct the policy loan and interest from any amount we may be due to pay to you under this policy and/or its supplementary contracts.

### 3.6 Bonus

If this is a participating policy, a part of the premiums you pay will go into a life participating fund. We will share the profit or loss of this fund with you. Profits will be shared with you by giving you bonuses in three ways:

- i. Reversionary bonus  
We add this to the policy each year. Once added, we cannot remove it.
- ii. Performance bonus  
This is a percentage of the total reversionary bonuses. We add this only at the time we pay a claim or when you give up your policy for its cash value.
- iii. Maturity bonus  
This is a percentage of the total reversionary bonuses. We add this only at the policy maturity date.

Bonuses are not guaranteed until they are declared to you.

### 3.7 Maturity Benefit

If your policy has a maturity benefit, we will pay you the amount less any loan and interest you owe us on this policy on the maturity date of this policy.

## 4. Your Responsibilities

### 4.1 Premium

You will pay the first premium at the time you apply for this policy. Thereafter, if this policy needs regular payment, you will pay all future premiums within 30 days from the due date so as to continue the policy.

If you fail to pay premiums on time, we will pay the premiums for you so that the policy can continue. We can only do so if the policy has accumulated a cash value and which is enough to pay for the premiums. This is a loan (automatic premium loan) from us and we will charge you interest. Interest accrues on a daily basis. If there is no or not enough cash value, this policy will end.

We will deduct these loans and interest from any amount we may be due to pay under this policy.

### 4.2 Bring Back Your Policy/ Reinstatement

If your policy ends due to not paying a premium due, you may apply to bring back your policy (reinstatement) within 12 months by:

- paying the total premiums you owe with interest and
- giving us satisfactory proof of the life insured's good health, at your own expense.

Reinstatement will depend on our approval. Waiting period (if any) for benefits will re-start from the date we reinstate the policy.

## 5. What Is Covered?

**Your policy may cover all or some of the benefits described below.** You have to read the policy information page and/or the supplementary terms to find out the exact coverage.

### 5.1 Death Benefit

If your supplementary terms show this benefit and the life insured dies, we will pay the sum insured plus all the bonuses that we have added to your policy (if any) less any amounts owing to us. When we make this payment, the policy ends.

While we assess the death claims, if the claimant needs financial assistance to prepare the funeral, we may consider offering an immediate payment of up to \$3000 per insured life. This funeral expense financial aid, if given, will be deducted from the final death benefit to the claimant. Our advance payment of this financial aid does not mean we have approved the death claim. When the death claim is not approved later, after our assessment, we have the right to ask you to return this advance payment.

### 5.2 Terminal Illness Benefit

If your supplementary terms show this benefit and the life insured has a terminal illness before reaching age 71, we will pay the sum insured plus all the bonuses that we have added to your policy (if any) less any amounts owing to us. When we make this payment, the policy ends.

### 5.3 Total and Permanent Disability (TPD) Benefit

If your supplementary terms show this benefit and the life insured becomes totally and permanently disabled before reaching age 71, we will pay in one lump sum the sum insured plus all the bonuses that we have added to your policy (if any) less any amounts owing to us. We will only provide a maximum aggregate sum insured of \$4 million per insured life for all policies issued in Singapore with TPD benefits. Our payment on TPD benefits will proportionately reduce the sum insured of the basic policy. If our payment for TPD benefit is 100% of the sum insured under this policy, the policy ends.

## 6. What Is Not Covered?

We will not pay the covered benefits in certain instances.

### 6.1 Suicide

This policy becomes invalid if the life insured or you (for payer premium waiver riders) commit or attempted suicide within the first 12 months from the policy issue date or date of last reinstatement. When this happens, we will return the total premiums paid without interest.

### 6.2 Terminal Illness Benefit

We will not pay the terminal illness benefit if it is due to:

- i. Intentional acts (sane or insane) such as self-harm or attempted suicide
- ii. AIDS, AIDS-related conditions or infection in the presence of HIV except HIV due to blood transfusion and occupationally acquired HIV.

### 6.3 Total and Permanent Disability (TPD) Benefit

We will not pay the TPD Benefit or waive any premiums if TPD occurs due to:

- i. Intentional acts (sane or insane) such as self-harm or attempted suicide
- ii. Criminal acts, war (declared or not), terrorism and chemical warfare
- iii. Participating in aviation (except as fare-paying passenger or member crew of a commercial airline), any dangerous or hazardous sport or hobby such as (but not limited to) steeple chasing, polo, horse racing, underwater diving, hunting, motor vehicular racing, mountaineering or potholing, or aerial sports such as skydiving, parachuting, bungee jumping
- iv. Effects of drug or alcohol addiction
- v. HIV infection, Acquired Immune Deficiency Syndrome (AIDS) and any AIDS related conditions.

### 6.4 Specific Conditions

When there is condition(s) specific to the life insured which we will not cover, we will state them on our offer of conditional acceptance, the policy information page and endorsement. If the life insured suffers directly or indirectly from the excluded events, we do not pay the sum insured. We will return the higher of either the total premiums paid or the cash value (if any), less any outstanding amounts owing to us from this policy.

### 6.5 Pre-existing Conditions

If we offer you a guaranteed issuance policy, it will not cover pre-existing conditions within the first 12 months from the policy issue date or date of last reinstatement. When this happens, we will return the total premiums paid without interest, less any expenses incurred by us on your policy.

## 7. Making Claims from the Policy

### 7.1 How to make a Claim

We must be informed in writing within 3 months of the event giving rise to the claim.

At your own expense, you must give us all documents and evidence we ask for to assess the claim. This may include re-examining the life insured by a particular doctor we appoint.

### 7.2 Who do we pay benefits to

We may pay the benefits to either you or your executors, administrators, nominees or any other proper claimant if we have proof of the relationship of the person claiming the benefit.

Before we pay any benefit, we will deduct:

- any amount you owe on this policy from the benefit and
- any future instalment premiums which are necessary to make up the full year's premium.

By paying any benefit to you, your executors, administrators, nominees or any other proper claimants, it will end our legal responsibility on that payment.

## 8. Our Rights

### 8.1 Our Rights to challenge this contract

We cannot challenge the validity of this policy after 2 years from the policy commencement date or the latest reinstatement date. However, if there is fraud, we can challenge the validity of the policy even after 2 years have passed.

### 8.3 Changes in Taxation, Regulations and Legislation

### 8.4 Errors in Age or Gender

If the age or gender of the life insured is not correctly stated such that the premium paid is wrong, we may adjust the benefits. For underpayment of premium, the claims will be prorated as if you have purchased a lower cover. For overpayment of premium, we will refund the excess premium without interest.

## 9. Your Rights

### 9.1 Free Look

You may return this policy within 14 days after you receive the policy document, for any reason. We will deduct any medical fee incurred in assessing the risk from the premium you paid and refund the balance to you.

We consider this policy is delivered to you 7 days after the date of email or posting.

### 9.2 Transferring the legal right of the policy

If you write to us and we agree to the transfer, you can transfer (assign) this policy to another person. When we do so, you may not make any further transfer until the previous transfer has been properly cancelled.

We will not be responsible for the validity of any transfer of policy.

### 9.3 Change of Policy Ownership

On written request, you may change the owner or the interest of any owner back to the life insured if he is at least 21 years old.

### 9.4 Nominees

Subject to the current laws and regulations, you may add, change or remove a nominee(s) to receive the share of the benefits by giving us a written notice. However, if there is a trustee(s) appointed or created under the policy, the trustee(s) must consent before any change can be effected.

## 10. When Will Your Policy End?

Your policy will end when one of these events happens first:

- i. death of the life insured
- ii. we paid out 100% of the sum insured of this policy

- iii. premium is not paid on time
- iv. at maturity date
