1. Our Agreement

1.1 The Agreement

Your policy is regulated using the laws of Singapore. It forms the entire legal agreement between you and us. It is made up of:

- Provisions for ePREMIER *legacy III*
- Your policy information page
- Your proposal form
- Any supplementary questionnaires that you have given to us for our risk assessment purpose, including information in medical reports
- Your financial needs analysis
- Our offer of conditional acceptance (if any)
- Any supplementary rider contract and
- Any endorsements we may issue to you on this policy

We took the information you have given us on the proposal form, supplementary questionnaires, medical reports and medical examination to decide whether or not to insure you. The information obtained will form the basis of the contract of insurance between you and us. Your policy may be void if you have given us incomplete or inaccurate information.

In exchange for the premiums you pay, we agree to give you the benefits written on your policy information page and which are explained in these Provisions for ePREMIER *legacy III*.

Anyone not directly a party to this contract has no right to enforce the Contracts (Rights of Third Parties) Act, Chapter 53B of Singapore or any statutory modification or re-enactment of the said Act.

1.2 No Restriction on Travel and Occupation

There is no restriction as to the Life insured's travel and occupation, unless we state differently in the endorsements.

1.3 Policy Currency

All premiums and benefits of this policy and its supplementary rider(s) are in Singapore dollars, unless we state differently on the policy information page.

2. Policy Owners' Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact us or visit the Life Insurance Association (LIA) or SDIC web-sites (www.lia.org.sg or www.sdic.org.sg).

3. Our Responsibilities

This policy comprises a participating component that will share in the profits of our participating fund in the form of bonus as well as a non-participating component that provides high coverage.

Your policy covers the benefits described below.

3.1 Covered Events

If your policy is valid and a covered event happens, we will pay you the benefits less any loan and interest you owe us on this policy or its supplementary rider contract. The covered events of your policy are written on the policy information page.

3.2 Surrender Benefit

The policy has a guaranteed surrender value equivalent to 80% of the single premium paid throughout the policy duration from policy commencement date onwards.

The total surrender benefit is the sum of:

- (i) a guaranteed surrender value equivalent to 80% of single premium paid;
- (ii) any reversionary bonus surrender value; and
- (iii) any performance bonus

less any amounts owing to us.

3.3 Loans

You may take a loan on your policy of up to 90% of its total surrender value. We will charge an interest on the policy loan and may change the interest rate at any time by giving you 30 days' notice. Interest accrues on a daily basis. You may repay the policy loan and interest at any time. If the policy loan plus interest is more than the total surrender value, this policy will end.

We will deduct the policy loan and interest from any amount we may be due to pay to you under this policy and/or its supplementary contracts.

3.4 Bonus

Your policy comprises of a participating component. A part of the premiums you pay will go into a life participating fund. We will share the profit or loss of this fund with you. Profits will be shared with you by giving you bonuses in two ways:

- i. Reversionary bonus
We add this to the policy each year. Once added, it will be guaranteed.
- ii. Performance bonus
This is a percentage of the total reversionary bonuses. We add this only at the time we pay a claim or when you give up your policy for its surrender value.

Bonuses are not guaranteed until they are declared to you.

3.5 Change of Life insured

You have the option to request for a change of Life insured after the second Policy year, subject to the following conditions:

- Acceptance of the new Life insured is subject to our approval, depending on the insurability of the new Life insured and such other terms and conditions as we shall determine from time to time;
- All exclusions and conditions will be applicable to the new Life insured. The exclusions and conditions to this policy will begin from the effective date of the change of Life insured;
- Where the Policy owner is a corporation, Policy owner may request to change the life insured under this policy, without any limit on the number of changes. Where the Policy owner is not a corporation, Policy owner may only change the Life insured once throughout the policy term;
- The Guaranteed Death Benefit cover will be revised to guarantee a minimum death coverage before the policy anniversary when the new Life insured attains age 90; and
- The Accidental Death Benefit will be revised to cover the new Life insured on or before the policy anniversary when the new Life insured attains age 80.

If We have paid a claim under the TI Benefit, and the policy is still in force thereafter, the change of Life insured benefit will terminate under this policy.

When the change of Life insured request becomes effective, the surrender value and any bonuses in the policy will be revised accordingly. We will notify You of any additional Top-up amount You may have to pay for the change of Life insured upon acceptance of Your application.

4. Your Responsibilities

4.1 Premium

You will pay a single premium at the time you apply for this policy. Thereafter, no further renewal premium is required to continue the policy.

4.2 Bring Back Your Policy/ Reinstatement

If your policy ends due to not paying an outstanding amount due, you may apply to bring back your policy (reinstatement) within 12 months by:

- paying the outstanding amount you owe with interest and
- giving us satisfactory proof of the Life insured's good health, at your own expense.

Reinstatement will depend on our approval.

5. What is Covered?

Your policy covers the benefits described below while the policy is in force.

5.1 Death Benefit

Upon death of the Life insured while the policy is in force:

- I. Before the policy anniversary when the Life insured attains age 90

the death benefit payable is the higher of:

- a) Guaranteed Death Benefit (GDB); or
- b) sum insured and its attaching bonuses (if any)

less any amounts owing to us.

- II. On or after the policy anniversary when the Life insured attains age 90

the death benefit payable is the sum insured and its attaching bonuses (if any), less any amounts owing to us.

When we make this payment, the policy ends.

While we assess the death claims, if the claimant needs financial assistance to prepare the funeral, we may consider offering an immediate payment of up to \$3000 per insured life. This funeral expense financial aid, if given, will be deducted from the final death benefit to the claimant. Our advance payment of this financial aid does not mean we have approved the death claim. When the death claim is not approved later, after our assessment, we have the right to ask you to return this advance payment.

5.2 Guaranteed Death Benefit (GDB)

The Guaranteed Death Benefit (GDB) guarantees a minimum death coverage before the policy anniversary when the Life insured attains age 90. It is computed by multiplying the sum insured of the basic policy by a factor which is determined by the entry age of the Life insured. Please refer to the Policy Illustration for your GDB amount.

5.3 Accidental Death Benefit

If the Life insured dies on or before the policy anniversary when the Life insured attains age 80 as a result of an Accident, we will pay 25% of the GDB in addition to the death benefit.

We will pay this benefit only if death occurs within 365 days from the date of the accident. When we make this payment, the policy ends.

The maximum aggregate amount payable (in excess of the death benefit) is \$5 million per Life insured for all policies and riders issued in Singapore with accidental death benefit.

5.4 Terminal Illness Benefit

If the Life insured has a terminal illness while the policy is in force, we will advance the death benefit.

The maximum aggregate amount payable is \$5 million per Life insured for all policies and riders issued in Singapore with terminal illness benefit.

If the terminal illness benefit payable is lesser than the death benefit, the death benefit will be automatically reduced by the amount paid for the terminal illness. The policy remains in force and the remaining death benefit is the original death benefit less the amount paid for terminal illness.

If the terminal illness benefit payable is the same as the death benefit, the policy ends when we make this payment.

6. What is Not Covered?

We will not pay the covered benefits in certain instances.
